

BECOME A VOLUNTEER

Welcome to Goodwill Niagara

Goodwill provides work opportunities and skill development for people with barriers to employment or independence, and affordable housing for seniors.

When you shop or donate you are helping strengthen families in Niagara by creating jobs, training programs and affordable senior housing. All the money generated through sales at Goodwill Donation Centres stay in the Niagara community.

People in Niagara benefit from your generous donations. As their lives begin to change they become positive, and their families are strengthened. We thank you for your generosity!
