Dear SWC Students Taking DSBN eLearning Courses:

We hope that you and your families are doing well during these uncertain and unprecedented times.

I wanted to give you an update for you about DSBN eLearning courses. In light of the extension of the school shutdown, we want you to know that you will be continuing through your eLearning course as originally planned. We encourage you to connect with your eLearning teacher if you have any course specific questions or need any supports.

If you have any other questions, please feel free to reach out to me at ann.gilmore@dsbn.org.

Sincerely

Ms. Ann Gilmore, SWC Principal
