Resource Guide

Guide de ressources

Universités de l'Ontario
dialogues régionaux 2017

Introduction

Regional Dialogue is a perennial springtime event dedicated to the delivery of admissions updates between Ontario universities and high school guidance counsellors. University representatives and counsellors alike collaborate at Regional Dialogues to share feedback, network and engage in topical issues of the day in support of their shared goal to promote high school students' access to Ontario universities.

The Ontario University Regional Dialogues 2017 Resource Guide is brought to you by the General Committee on Student Recruitment (GCSR) in partnership with the Ontario Universities' Application Centre (OUAC). This Resource Guide was designed at the request of Ontario guidance counsellors and is written for guidance counsellors rather than students. The best resource for your students is eINFO: www.electronicinfo.ca.

Additional copies of the Ontario University Regional Dialogues 2017 Resource Guide can be found at: www.ouac.on.ca/guidance/en_CA/resource/regional-dialogues.

The Ontario universities thank you for your participation in the 2017 Ontario University Regional Dialogues. We hope this guide helps answer your frequently asked questions.

Sincerely,
The GCSR and the OUAC

Introduction

Dialogue Régionaux est un événement permanent ayant lieu tous les printemps et consacré à la mise à jour, par les universités de l'Ontario, des renseignements sur les admissions aux conseillers des écoles secondaires. Des représentants des universités et des conseillers collaborent aux Dialogues régionaux dans le but de partager leurs rétroactions, de réseauter et de se pencher sur des questions d'actualité, avec un objectif mutuel de promotion de l'accès aux études universitaires ontariennes par les élèves du niveau secondaire.

Le Guide de ressources : Universités de l'Ontario dialogues régionaux 2017 vous est présenté par le *General Committee on Student Recruitment (GCSR)*, en partenariat avec le Centre de demande d'admission aux universités de l'Ontario (« OUAC »). Ce Guide de ressources a été conçu à la demande des conseillères et conseillers en orientation de l'Ontario et s'adresse aux conseillères et conseillers en orientation plutôt qu'aux élèves. La meilleure ressource à consulter par les élèves demeure eINFO : www.infoelectronique.ca.

Pour d'exemplaires additionnels du *Guide de ressources : Universités de l'Ontario dialogues régionaux 2017*, veuillez visiter : www.ouac.on.ca/guidance/fr_CA/resource/regional-dialogues

Les universités de l'Ontario vous remercient de votre participation aux Dialogues régionaux 2017 des universités de l'Ontario. Nous osons espérer que ce guide vous servira de guichet unique pour répondre à vos questions les plus fréquemment posées.

Sincères salutations,
Le GCSR et L'OUAC

new programs:	Our BA in Game Design/Advanced Diploma in Game Development and BSc in Game Programming/Advanced Diploma in Game Development will begin their second year. Both programs are offered in collaboration with Niagara College. Visit www.brocku.ca/game.
program changes:	Beginning fall 2017 entry, one 4U math (min. 75%) is required for the Nursing program.
admissions and transition information	
fall 2017 offer information:	The majority of our offers of admission have been extended to eligible applicants. Offers will continue to be made to programs where space permits. Students who received an early offer to an alternate program will automatically be reassessed for their preferred choice upon receipt of second term interim grades. Those with offers of admission must continue to meet the conditions indicated in their offer of admission letter.
special consideration policy:	Brock University's Accessibility Policy, and the process to apply under the policy, can be found at www.ouac.on.ca/guide/101-brock/#deferrals. All requests must be submitted by April 14, 2017.
accessibility services:	We're here to help. Review our services at www.brocku.ca/sas or contact Student Accessibility Services at 905-688-5550, ext.5357 or sasnewstudent@brocku.ca
alternative offers of admission:	If a student applied to only one Brock program and did not qualify, in most cases they were automatically considered for an alternative program.
grade 11 marks:	Offers extended in December based on final 3U/M courses and 4U/M courses when available.
supplemental application:	Supplementary requirements for the following programs were due on Feb. 8, 2017: Accelerated Mathematics Studies (AMS Application Form, Personal Statement, Mathematics Activities Portfolio), Game Design and Game Programming (Statement of Interest), Visual Arts -Studio Art and Concurrent BA Visual Arts/BEd Intermediate-Senior (Visual Arts Portfolio). Programs in Dramatic Arts and Concurrent BA Dramatic Arts/BEd Intermediate-Senior require participation in a DART Invitational (February, March, April) and Music requires an audition (February, March, April). Find details at www.discover.brocku.ca/apply/next-steps.
deferral policy:	Only in rare circumstances does Brock grant deferrals.
IB policy:	Qualified students who have been granted the IB diploma may receive up to 3.0 Brock credits on the basis of higher level subjects completed with a grade of 5 or better. Students may also receive a recognition award of \$1,000 in addition to any other awards for which they may qualify.
AP policy:	AP results may be used to determine admissibility and the granting of transfer credit or exemption. Applicants who present AP examination grades of 4 may be eligible to receive university credit to a maximum of 2.0 Brock credits. An official AP transcript is required for those wishing to be considered for transfer credit.

policy on repeated courses:	Brock will consider the higher of the two attempts.
policy on summer school, night school, virtual learning, e-learning, private school, and correspondence courses:	All Ministry-approved secondary school courses are treated equally. If the home school is not submitting the course via the OUAC according to established timelines, students must email the Admissions Office at central@brocku.ca to notify us and provide proof of registration in the course. It is the student's responsibility to ensure we receive the midterm and final grade. Space cannot be guaranteed in all programs.
ranking on OUAC application:	Students will receive an offer of admission to only one Brock program. When more than one Brock program is indicated on the application, the highest choice listed for Brock will be considered first. If not eligible for the first choice, we will consider subsequent choices in the order of preference indicated.
tuition deposit:	There is no tuition deposit for domestic students or international OUAC 101 applicants.
course selection process, first-year:	Course registration opens June 14, 2017. Students will be provided with information on the registration process closer to the registration date.
support available for the transition to university:	Our first year experience programs include online modules, campus visit options, academic advising, leadership and outdoor adventure programming and ongoing first year support. Learn more at www.discover.brocku.ca/smartstart .
dual credits/SHSM programs:	Students who have completed a university credit during their final year of secondary school may be eligible for transfer credit. An official university transcript should be forwarded to the Admissions Office for review. Students completing a SHSM program with an admission average of 80% or higher will be awarded a \$500 scholarship.
English proficiency requirements:	Please visit www.brocku.ca/webcal/current/undergrad/admi.html#sec13 for details.
transfer credit policy:	Brock has a dedicated Transfer Admissions Officer. Please contact 905-688-5550, ext. 6187 or collegetransfers@brocku.ca .

INSTITUTIONAL INFORMATION

Student Population	Approximately 30,000 full- and part-time students.	
New Programs	Bachelor of Global and International Studies specializations in Global Media and Communication and Global Inequalities and Social Change; Bachelor of Information Technology in Information Resource Management; Bachelor of Arts (Combined Honours) in Indigenous Studies.	
Program Changes	The Bachelor of Computer Science (Honours) has added a new work experience opportunity, the Industrial Application Internship option.	

ADMISSIONS AND TRANSITION INFORMATION

Fall 2017 Offer Information	Offers of admission are made on a rolling basis. Each time we receive grades from the OUAC, we re-assess to determine eligibility.	
Special Consideration Policy	If students have experienced special/extenuating circumstances that should be taken into consideration when we evaluate their application, they should submit a letter regarding these outstanding circumstances to Admissions Services.	
Accessibility Services	The Paul Menton Centre for Students with Disabilities (PMC) provides individualized services to students registered at Carleton with documented disabilities. Students should self-identify to the PMC and meet with a coordinator to discuss individual needs for accommodation and support services early each term, prior to the start of their academic program at Carleton. For more information, visit carleton.ca/pmc .	
Alternative Offers of Admission	If Ontario secondary school students are not eligible for their first choice, they will be given an alternate offer of admission in early May. We will endeavor to give the student a choice that is as close as possible to their original program selection.	
Grade 11 Marks	Used for preliminary offers sent in December and January for those with high averages. Used again in February as part of the calculation for early offers in combination with available Grade 12 marks.	
Supplemental Application	Portfolios required for Architecture, Industrial Design, Information Technology (IMD stream), and Humanities. Audition required for Music. Supplementary Application required for Social Work.	
Deferral Policy	Deferrals are granted for most programs. Some limited enrolment programs require a higher average for	

	a deferral of offer to be approved. There are no deferrals for programs that require a supplementary application, portfolio or audition.
IB Policy	Visit admissions.carleton.ca/requirements . IB contact: sarah.ramisch@carleton.ca
AP Policy	Visit admissions.carleton.ca/requirements . AP contact: sarah.ramisch@carleton.ca
Policy on Repeated Courses	Carleton takes the best grade.
Policy on Summer School, Night School, Virtual Learning, e-Learning, Private School, and Correspondence Courses	All Ministry-approved secondary school courses are treated equally.
Ranking on OUAC Application	If a student is interested in a limited enrolment program (such as Journalism), they should rank it ahead of a more general program (such as Bachelor of Arts). The order in which you rank your program choices is important if you are applying for more than one program at Carleton. Your highest ranked program at Carleton will be considered first—but all program choices will be assessed. If you qualify for your first choice, you will receive an offer of admission for that program. With that offer, you will also receive information on the status of your other program choices. If you are eligible for another choice, you can be given an offer of admission if there is space available in that program. If a program becomes full, you will not receive an offer of admission even if you were previously eligible. Therefore, we encourage you to rank your choices carefully.
Tuition Deposit	In general, tuition payments are due late August for fall term and late November for winter term. No deposit (except for residence) is required before then.
Course Selection Process, First-Year	Registration begins the first week of June. Registration Information is sent at the beginning of May.
Support Available for the Transition to University	Student Experience Office (orientation, leadership, development, community service learning initiatives, family outreach); Academic Advising Centre (academic advising and study workshops); Paul Menton Centre for Students with Disabilities.
Dual Credits/SHSM Programs	Some dual credit courses are accepted for use in the admission average. Courses are evaluated at the time of admission.
English-Proficiency Requirements	The language of instruction at Carleton is English. Therefore, students whose first language is not English must demonstrate that they can cope with the language demands of an English-language university. Visit admissions.carleton.ca/english .
Transfer Credit Policy	Visit admissions.carleton.ca/apply .

SCHOLARSHIP AND FINANCIAL AID INFORMATION

INSTITUTIONAL INFORMATION

Student Population:	Undergraduate population is 20,393 (with overall population of 22,648)
Program Changes:	Studio Art; Creative Writing; and Arts, Culture and Heritage Management, are now available as minors to students in most degree programs. Hotel and Food Administration and Tourism Management have been merged to create one major, Hospitality and Tourism Management (also available with Co-op). Leadership and Organizational Management now requires only one math prerequisite, Advanced Functions. Neuroscience is a new major available in the Bachelor of Science.

ADMISSION AND TRANSITION INFORMATION

Fall 2017 Offer Information:	Guelph's offers of admission will be made prior to May 26, 2017, and students will have until June 1, 2017, to respond through the OUAC. Information regarding the conditions will be reflected in the offer of admission.
Special Consideration Policy:	Admission Services will review submissions of the Supplemental Information Form for Students with Disabilities (SIF-D), with staff from Student Accessibility Services (SAS), in May. As with Student Profile Form (SPF) submissions, the SIF-D will be reviewed for applicants with an admission average that falls within a discretionary range of the final cut-off for each program/major (up to 5%) if they have not otherwise received an offer by that point. More information regarding this process can be found on the SAS website at: www.uoguelph.ca/csd .
Accessibility Services:	Our Student Accessibility Services (SAS) office provides services for students with disabilities including learning disabilities, ADD/ADHD, hearing, vision, physical/mobility, chronic medical, acquired brain injury, mental health, autism spectrum disorders, and temporary disabilities. Students are encouraged to contact SAS prior to starting classes. All information is available on our website, www.uoguelph.ca/csd , and advisors are available to meet with new students anytime.
Alternative Offers of Admission:	Students can expect to receive only one offer of admission from Guelph. Their highest choice will be considered first. Only in the event that a student is not admissible to their highest choice at Guelph, will the next choice be considered. Students are therefore strongly advised to place their preferred program as their highest choice of Guelph programs. Students should have made these changes by April 15, 2017. Applicants not admitted to a co-op program based on admission average are automatically considered for the regular program. Applicants not admitted to BA - Criminal Justice & Public Policy are automatically considered for admission to BA - General Arts. Applicants not admitted to BSc - Bio-Medical Science or Human Kinetics are automatically considered for admission to BSc - Biological Science.
Grade 11 Marks:	Final Grade 11 U/M marks are used in admission average calculation for our early offers of admission, where Grade 12 marks are not available or are incomplete.
Supplemental Application:	Guelph has several programs that require supplemental application forms to be completed. Visit: http://admission.uoguelph.ca/suppsforms . Students may also complete a Student Profile Form (SPF) in support of their application, due May 1, 2017. Visit: http://admission.uoguelph.ca/spf .
Deferral Policy:	Students are able to defer offers of admission at the University of Guelph for one year, as long as another postsecondary institution is not attended during that time. An application is required by August 11, 2017, and can be obtained by emailing admission@registrar.uoguelph.ca . Students will incur a \$80 fee.
IB Policy:	Admission and scholarships will be determined using the conversions submitted to the OUAC by the applicant's secondary school. Transfer credit may be given for higher level courses with grades of 5 or better, to a maximum of 2.0 credits; credit will be assessed and students notified once final IB transcripts are received.
AP Policy:	Applicants who have completed AP examinations with a minimum grade of 4 will be eligible to receive university credit, to a maximum of 2.0 credits. Transfer credit is dependent on the program to which a student is admitted and will be assigned once an official College Board AP exam report is received.
Policy on Repeated Courses:	For the fall 2017 admission cycle, Guelph is using the highest U/M grade reported for any repeated course provided the course has been taken at a Ministry-inspected and approved school.

Policy on Summer School, Night School, Virtual Learning, e-Learning, Private School, and Correspondence Courses:	The University of Guelph considers U/M courses taken via the aforementioned options to be equivalent to U/M courses offered by regular day school, provided the courses have been taken at a Ministry-inspected and approved school.
Ranking on OUAC Application:	The order of choice on the OUAC application makes no difference for admission to Guelph unless a student is applying to more than one program at Guelph. In this case, Guelph considers the highest choice program first.
Tuition Deposit:	A non-refundable registration deposit of \$200 will be required by August 11, 2017, for all students starting at Guelph in fall 2017, subject to change.
Course Selection Process, First-Year:	Students will be sent information on selecting their courses online from the Office of Enrolment Services. This will occur after they have accepted their offer of admission, beginning in the middle of May. Course and program counselling sessions will be available virtually and on campus.
Support Available for the Transition to University:	The Centre for New Students provides incoming students with many opportunities to connect with the Guelph community and receive support before arriving on campus in September, as well as upon arrival for Orientation Week and throughout their first year: https://gryphlife.uoguelph.ca/organization/CNS . For information regarding our Student Accessibility Services, including testing, required documentation, and available programs and services, please visit: www.uoguelph.ca/csd .
Dual Credit/SHSM Programs:	The University of Guelph does not currently recognize dual credits or the SHSM programs in the admission process; however, to students who completed the Specialist High Skills Major, \$1,000 scholarships will be awarded to the three students with the highest admission average entering first year of any OAC program; www.uoguelph.ca/oac/future-students/shsm-scholarships .
English Proficiency Requirements:	Applicants will be required to present evidence of English proficiency if their primary or first language is not English and they have had less than four years of full-time secondary or post-secondary study demonstrating satisfactory academic progress in an English-language school system. Acceptable English proficiency test information can be found at: http://admission.uoguelph.ca/EnglProf .
Transfer Credit Policy:	The University of Guelph is committed to recognizing previously completed post-secondary studies (i.e., college and university). Given the myriad of opportunities available, students are encouraged to reference the following website. www.ontransfer.ca .

SCHOLARSHIP INFORMATION

Guaranteed Entrance Scholarship Program:	University of Guelph Entrance Scholarships are awarded to students based on their admission average, including required courses, for the program to which they were admitted. Applications are not required. Students with an admission average of 85.0%-89.9% are guaranteed \$2,000. Students with an admission average of 90% and higher are guaranteed \$3,000. They are not renewable.
Additional Scholarships Application Information and Deadline:	Guelph has a number of merit- and needs-based programs to assist students over and above government sources. The value of the awards will vary, as will the deadlines for applications. Please visit: www.uoguelph.ca/registrar/studentfinance . Of these, our most prestigious awards are the President's Scholarships, Chancellors' Scholarships and the Lincoln Alexander Scholarships, all valued at \$40,000 each. These 12 awards require a minimum 90% average, with scholarship application required by January 25, 2017. In addition, our 25 Board of Governors awards recognizing outstanding academic excellence are now valued at \$20,000, and paid over four years. University of Guelph Athletics does offer scholarships; however, these are determined by athletic staff. A minimum admission average of 80% is required for consideration for first-year student athletes.
Bursary Information:	The Financial Need Assessment Form for Entrance Awards was due on April 15, 2017.

RESIDENCE INFORMATION

Residence Options:	Guelph is a residentially-intensive university, with over 5,000 students living on campus. We have more than 11 residences to choose from, including traditional dorm-style, apartment style and townhouse living. We also offer Academic Clusters, Living Learning Centres and Themed Learning Communities; http://housing.uoguelph.ca . Many of our residences require a meal plan, which is something to look forward to because Guelph has been consistently ranked as having the best campus food in Canada! http://hospitality.uoguelph.ca .
Residence Application Deadline:	The online residence application and a \$500 residence deposit must be submitted by 11:59 p.m. EDT, June 1, 2017.
Residence Guaranteed?	Residence is guaranteed to all first-year students provided they apply online and submit their deposit by the June 1, 2017, deadline.
Room Deposit Fee:	\$500. Please see website for cancellation charges: http://housing.uoguelph.ca .
Online Application:	Yes! http://housing.uoguelph.ca/future-residents/how-apply .

WHAT'S NEW

New Funding:	The University's 'Food from Thought' research project has received \$76.6 million from the federal government to start a "digital revolution" in food and agriculture. This is the largest single federal research investment in the University's history.
Renovations and Expansions:	The University is excited to be nearing completion of a \$45 million expansion and renovation of the Mitchell Athletics Centre into a state-of-the-art fitness and recreation complex. Phase 1 opened in September 2016, and Phase 2 opened in January, 2017. In September, 2016, Macdonald Hall, the oldest residence on the University of Guelph campus, became our "gateway to business" as the new home of the College of Business and Economics.

ADMISSIONS AND TRANSITION INFORMATION

FALL 2017 OFFER INFORMATION	Offers of admission will be made prior to May 26, 2017 . Students will have until June 1, 2017 , to respond to their offer.
SPECIAL CONSIDERATION POLICY	<p>Student Profile: The Student Profile (SP) gives applicants the opportunity to tell us about factors that may have impacted their grades. If a student's admission average does not meet the cut-off for the program to which they have applied, their SP may be considered if their average is within a discretionary range of the determined cut-off range (up to 5%). If a student has an admission average of 70-74.9%, it is strongly recommended that they submit a SP to be considered for admission. The Student Profile should be completed by May 1, 2017.</p> <p>Student Profile Form for Students with Disabilities (SPF-D): The University of Guelph-Humber strives to provide equal opportunity for academically qualified students with disabilities. If a student believes their admission average does not reflect their true academic ability as a result of a disability, they are encouraged to complete a SPF-D online to be considered with their marks in determining admission. The SPF-D deadline is May 1, 2017.</p> <p>Forms can be found at: www.guelphhumber.ca/futurestudents/student-profile.</p>
ACCESSIBILITY SERVICES	Accessible Learning Services provides specialized services for students in need, such as academic accommodations, assistive technology training and learning supports.
ALTERNATIVE OFFERS OF ADMISSION	Students can expect to receive only one offer of admission from the University of Guelph-Humber. The highest ranked choice will be considered first. Only in the event that a student is not admissible to their highest choice at UofGH will the next choice be considered. Students are therefore strongly advised to place their preferred program as their highest choice of UofGH programs. If an applicant wants to reorder their UofGH program rankings, they should amend their application on the OUAC website by April 15, 2017 .
GRADE 11 MARKS	Grade 11 U/M marks are used in admission average calculation for early offers of admission, where Grade 12 U/M marks are incomplete or not available.
SUPPLEMENTAL APPLICATION	See "Special Consideration Policy".
DEFERRAL POLICY	Students are encouraged to apply for the year they wish to enroll; however, the University will consider deferrals on a case-by-case basis.
IB POLICY	Admission and scholarships will be determined using the conversions submitted to the OUAC by the applicant's high school. Students applying with an IB diploma should have a minimum score of 24. Transfer credit may be given for higher level courses with grades of 5 or better, to a maximum of 2.0 credits.
AP POLICY	Applicants who have completed AP examinations with a minimum grade of 4 may be eligible to receive university credit to a maximum of 2.0 credits, subject to the discretion of the Admissions Committee. Official transcripts are required.
POLICY ON REPEATED COURSES	In the case of repeated courses, the highest U/M mark will be accepted for admission purposes provided the course has been taken at a Ministry-inspected and approved school.

POLICY ON SUMMER SCHOOL, NIGHT SCHOOL, VIRTUAL LEARNING, E-LEARNING, PRIVATE SCHOOL, AND CORRESPONDENCE COURSES	U/M courses taken at a Ministry-inspected and approved school will be considered for admission, regardless of format.
RANKING ON OUAC APPLICATION	The order of choice on the OUAC application makes no difference for admission to the University of Guelph-Humber unless a student is applying to more than one program at Guelph-Humber. In this case, applicants are considered for the highest ranked program first.
TUITION DEPOSIT	A non-refundable tuition deposit of \$200 is due in early August for the fall term.
COURSE SELECTION PROCESS, FIRST-YEAR	Course selection takes place over the summer months. Further details can be found at: www.guelphhumber.ca/newstudents .
SUPPORT AVAILABLE FOR THE TRANSITION TO UNIVERSITY	A number of resources are available for first-year students, including events such as Next Steps, Kick Start and Orientation; personal academic advising; Student Transition and Resource Team (START) Leaders; and the First Year Experience Program.
DUAL CREDITS/SHSM PROGRAMS	The University of Guelph-Humber does not participate in dual credit programming. We provide customized SHSM Reach Ahead programming. Email liaison@guelphhumber.ca for SHSM information.
ENGLISH-PROFICIENCY REQUIREMENTS	Applicants must present proof of English proficiency if their primary language is not English and they have completed less than four years of full-time study in an English-language school system (minimum high school level). For full details please visit: www.guelphhumber.ca/futurestudents .
TRANSFER CREDIT POLICY	Transfer credit information is available at: www.guelphhumber.ca/futurestudents .

SCHOLARSHIP AND FINANCIAL AID INFORMATION

GUARANTEED ENTRANCE SCHOLARSHIP PROGRAM	Renewable Entrance Scholarships: Applicants with an admission average of 75% or above are automatically considered. The first-year scholarship amount is based on a student's final admission average with the top six 4U/M courses, including program-specific subject requirements: \$5,000 for 90%+, \$4,000 for 85-89.9%, \$3,000 for 80-84.9% and \$2,000 for 75-79.9%. An estimate is included with an offer of admission but is re-evaluated based on the student's final admission average. For more information visit: www.guelphhumber.ca/sfs .
ADDITIONAL SCHOLARSHIPS APPLICATION INFORMATION AND DEADLINES	Founders' Academic Merit Scholarship: Recognizes high academic achievement and superior leadership ability and potential. Each recipient is eligible to receive \$5,000 per academic year over four years of full-time study, for a total of \$20,000. Ten scholarships are awarded each year. WHAT'S NEW

Exciting Campus Development:

Lakehead University is excited about all the new developments and construction underway around the Thunder Bay campus. Three new exciting spaces include:

- Student Central: This fall, Lakehead University will introduce a One Stop Service model and a brand new space for students to access everything they need - from enrolling at Lakehead to course registration, financial support, advising and more. Stay tuned for future updates.

- Lakehead International: Lakehead University International opened its doors to a brand new space in January 2017. The space features an international student lounge open to all students as well as classrooms for the English Language Program.

- Centre for Advanced Studies in Engineering and Sciences: Lakehead University has plans underway to create a new state-of-the-art research complex to be known as the Centre for Advanced Studies in Engineering and Sciences. Students, professors and researchers will collaborate in specially designed spaces that support lifelong learning and skills training.

Lakehead-Georgian Partnership Programs:

Lakehead University and Georgian College are working together on new degree programs designed to meet the needs of students and employers in Central Ontario. Over the next five years, the institutions will launch more than 20 new degree programs and degree transfer pathways. Programs will include Lakehead degrees, Georgian degrees and four-year combined degree-diploma programs. The two inaugural programs, launching in September 2017 are:

- BEng (Electrical) Degree with Electrical Engineering technology Advanced Diploma
- HBASc Environmental Sustainability (Specialization in Ecosystem Management) Degree with Environmental Technician Diploma

Students who do not meet the minimum required admission average to Lakehead will automatically be considered under Gateway. To be considered for Gateway, students must achieve a final overall average of 65% based on their best six 4U/M courses.

Grade 11 Marks: Early offers of admission based on exceptional Grade 11 academic courses may be extended, conditional upon meeting all requirements as outlined in their offer.

Supplemental Application: There are no supplemental applications for students applying directly from high school. For applicants to Music, an audition is required; for Visual Arts, a portfolio is required.

Deferral Policy: Students who have received an offer of admission may request a deferral for one year (excluding Engineering, Music, Nursing, and Visual Arts) at: www.lakeheadu.ca/future-students/admissions

IB Policy: Applicants who have completed an IB diploma will be considered for admission provided the diploma includes the subject area requirements for the chosen program of study. A total score of 28 in six subjects is required, three of which must be at the higher level with no subject score less than 4. Applicants presenting the IB diploma or certificate may be considered for advanced standing credit in some higher-level subjects with a score of 5 or better.

RESIDENCE INFORMATION

Residence Options: Lakehead's Thunder Bay Campus offers three styles of accommodation: Residence Halls, Apartments, and Townhouses. Generally, first-year students will be offered accommodation in a Residence Hall. Lakehead's Orillia Campus has one style of accommodation: Residence Halls, where each student will enjoy a single room in the modern residence hall-style dorms, sharing a bathroom with only one other person.

Residence Application Deadline: June 1, 2017

Online Application: <https://www.lakeheadu.ca/current-students/residence/tb/applying-to-residence>

AP Policy: Applicants who have achieved a minimum grade of 4 on the placement exam may be eligible to receive advanced standing credits.

Policy on Repeated Courses: Lakehead does not penalize students who repeat courses. We will accept the best attempt.

Policy on Summer School, Night School, Virtual Learning, e-Learning, Private School, and Correspondence Courses: Lakehead University accepts all Ministry-approved courses, regardless of mode of instruction. Students are responsible to advise and supply transcripts if they are taking courses outside of their regular school program. Summer school courses must be submitted by August 11, 2017.

Ranking on OUAC Application: Lakehead will assess students for admission to all programs applied to regardless of ranking on the OUAC application. Qualified students may receive offers to all programs applied to.

Tuition Deposit: \$200 non-refundable deposit is due by June 1, 2017, to secure a student's spot in our limited enrolment Nursing program only.

Course Selection Process, First-Year: Registration will open for first-year students in late June 2017. Complete details on how to register online and course selection may be found at: <http://howtoregister.lakeheadu.ca>

Support Available for the Transition to University: Lakehead offers a comprehensive array of Summer and Fall Orientation programming experiences to ensure a successful transition to university. Details found online: <http://orientation.lakeheadu.ca>

Dual Credits/SHSM Programs: Lakehead University does not recognize dual credits at this time. Graduates of select SHSMs (Arts & Culture, Business, Environment, Health & Wellness, Mining, or Sports) may be eligible to receive a \$500 SHSM Award. See www.lakeheadu.ca/future-students/scholarships for complete details on this unique opportunity for SHSM graduates.

English-Proficiency Requirements: Applicants whose native language is not English, and who have not studied in an English language school system for more than three full years, will be required to present proof of English proficiency. Accepted tests and minimum scores are available at: www.lakeheadu.ca/futurestudents/admissions. Students will automatically be considered for admission to their academic program through the Academic English Program (AEP) (Thunder Bay & Orillia Campus)

Transfer Credit Policy: www.lakeheadu.ca/future-students/admissions/undergraduate/transfer-student

Residence Guaranteed? Lakehead guarantees admission to Residence to all students coming from the high school level, provided that they are admitted to Lakehead, have accepted their offer of admission and submit their online Residence application/contract and \$500 down payment by June 1, 2017. Students access their Residence Housing Application and Contract online.

Room Deposit Fee: There is no fee to apply to residence. \$500 room reservation down payment must be made by the indicated due date to secure a student's spot in residence. This down payment will be applied toward a student's total residence fees

ADMISSIONS AND TRANSITION INFORMATION

Fall 2017 Offer Information:	Students applying to open enrollment programs with strong Grade 11 marks may be granted an early offer of admission, provided that they are registered in their required Grade 12 courses. Ultimately, the best six 4U/M courses are used for admission. Offers of admission to limited enrollment programs will be sent to Grade 12 students on a case-by-case basis. Some programs will require supplementary information, while others will require final first semester marks before a decision is made. Students will be notified of a response, whether in the form of an offer of admission, or a refusal, by Friday May 27, 2017
Special Consideration Policy:	Students with questions regarding special consideration are encouraged to contact Liaison Services. Toll-Free: 1-855-675-1151 ext. 3109
Accessibility Services:	Students with specific needs are urged to contact Accessibility Services. Toll-Free: 1-855-675-1151 ext. 3324 accessibilityservicesinfo@laurentian.ca
Alternative Offers of Admission:	If a student is not offered admission to a limited enrollment program, Laurentian will offer the student admission to an alternate program. If students are not satisfied with this new offer, they may wish to contact the Office of Admissions directly to change programs. Upon completion of their first year, students have the opportunity to re-apply to their first choice program via our free internal transfer process, with the exception of Midwifery/Formation de Sages-femmes
Grade 11 Marks:	3U/M marks are considered for early offers of admission to open enrollment programs from qualifying students as long as they are registered in the required 4U/M courses. On a case-by-case basis, some limited enrollment applicants may receive conditional offers based on strong 3U/M marks and enrollment in the appropriate 4U/M courses.
Supplemental Application:	Supplementary applications are available on the Applicant's Portal at: www.laurentian.ca/myLU . <ul style="list-style-type: none"> • Architecture: Portfolio, letters of reference and statement of interest • Health Promotion, Kinesiology, Sport and Physical Education, Outdoor Adventure Leadership, Sport Psychology: Personal Profile Form • Midwifery, Sages-femmes: Personal Profile Form • Radiation Therapy: Interview • Fine Arts (Music or Theatre): Audition • Motion Picture Arts: Portfolio
Deferral Policy:	Laurentian does not defer admissions. We do, however, consider final Grade 12 marks in July to reconsider those who were not yet offered admission
IB Policy:	The International Baccalaureate (IB) is accepted for admission to Laurentian University. Applicants must have achieved a minimum score of 28 and have fulfilled the diploma requirements with six subjects: three at the higher level and three at the subsidiary level. Transfer credits may be granted for higher-level courses with grades of 5 or better. Applicants must submit their IB transcripts to be evaluated
AP Policy:	In addition to meeting the university admission requirements, applicants who have completed Advanced Placement courses with a grade of 4 or more may receive transfer credits equivalent to a maximum of two full-year courses (12 credits)
Policy on Repeated Courses:	If a student repeats a course, Laurentian will accept the highest mark achieved in the course.
Policy on Summer School, Night School, Virtual Learning, e-Learning, Private School, and Correspondence Courses:	Laurentian University will only accept 4U/M courses approved by the Ontario Ministry of Education. Students taking approved courses outside of regular school hours should advise the Office of Admissions at admissions@laurentian.ca or 1-855-675-1151 ext. 3491 in order to be considered
Ranking on OUAC Application:	Multiple applications to programs can result in multiple offers. Offers of admission to limited enrollment programs are not denied based on choice ranking.
Tuition Deposit:	A \$400 deposit is required by June 19, 2017.
Course Selection Process, First-Year:	Registration information is sent in May. Registration information is available on the Applicant Portal at: www.laurentian.ca/myLU . For course selection, go to: www.webadvisor.laurentian.ca . For additional assistance, please email registration@laurentian.ca

Nouveaux programmes:	Actuarial Science (BA, BSc), Criminology (BA)
Modifications aux programmes:	Aucun

RENSEIGNEMENTS SUR L'ADMISSION ET LA TRANSITION

Renseignements sur l'offre pour l'automne 2017:	Les personnes qui présentent une demande d'admission à des programmes non contingentés et qui ont de très bonnes notes en 11e année peuvent recevoir une offre d'admission précoce si elles sont inscrites aux cours obligatoires de 12e année. En fin de compte, les six meilleurs cours 4U/M sont utilisés pour déterminer l'admission. Les offres d'admission aux programmes contingentés sont envoyées aux élèves de 12e année en fonction de chaque cas. Pour certains programmes, il faut fournir des renseignements supplémentaires alors que pour d'autres, l'Université demande les notes finales du premier semestre avant de prendre une décision. Les décisions seront envoyées, sous forme d'offre d'admission, d'admission différée ou de refus, d'ici le vendredi 26 mai 2017.
Politique de considération spéciale:	On demande aux élèves ayant des besoins particuliers de communiquer avec les Services de liaison. Sans frais : 1 855-675-1151 poste 3109 accessibilityservicesinfo@laurentienne.ca
Services d'accessibilité :	On demande aux élèves ayant des besoins particuliers de communiquer avec les Services d'accessibilité. Sans frais : 1 800-461-4030 accessibilityservicesinfo@laurentienne.ca
Autres offres d'admission:	Quand la Laurentienne refuse l'admission à un programme contingenté, elle offre l'admission à un autre programme. Les personnes qui n'approuvent pas cette nouvelle offre peuvent communiquer directement avec le Bureau des admissions pour changer de programme. À la fin de la première année d'études, il est possible de présenter de nouveau sa candidature au programme qui constituait le premier choix en suivant notre processus gratuit de transfert interne (avec l'exception du programme de Sage-Femme/Midwifery).
Notes de la 11e année:	Les notes des cours 3U/M sont prises en compte pour les offres d'admission précoces si les personnes sont inscrites aux cours obligatoires 4U/M.
Demande supplémentaire:	Les documents complémentaires figurent sur le portail des futurs étudiants à : www.laurentienne.ca/monUL <ul style="list-style-type: none"> • Architecture : portfolio, lettres de recommandation et déclaration d'intérêt • Promotion de la santé, Kinésiologie, Éducation physique et santé, Psychologie du sport, Activités physiques en plein air : profil personnel • Sages-femmes/Midwifery : profil personnel • Radiation Therapy : entrevue • Beaux-arts (Musique ou Théâtre) : audition • Motion Picture Arts : portfolio
Politique de report de l'admission	La Laurentienne ne reporte pas les admissions, mais elle examine les notes finales de 12e année en juillet afin de prendre de nouveau en considération les personnes qui n'ont pas encore eu d'offre d'admission.
Politique relative au BI:	Le Baccalauréat international (BI) est accepté pour l'admission à l'Université Laurentienne. Il faut avoir obtenu une note d'au moins 28 et satisfait aux exigences du diplôme dans six matières : trois au niveau supérieur et trois au niveau auxiliaire. Des transferts de crédits peuvent être accordés pour les cours du plus haut niveau assortis de la note 5 ou plus. Les candidats doivent présenter leurs relevés de notes du BI pour être évalués.
Politique relative aux équivalences:	En plus de répondre aux exigences d'admission à l'Université, les candidats qui ont suivi des cours donnant droit à des équivalences auxquels ils ont obtenu la note de 4 ou plus peuvent recevoir des crédits de transfert équivalents à un maximum de deux cours complets (12 crédits)
Politique relative à la reprise de cours:	La Laurentienne prend la note la plus haute obtenue dans un cours qui a été repris.
Politique relative aux cours d'école d'été, d'école du soir, d'apprentissage virtuel, d'apprentissage en ligne, d'école privée et par correspondance:	L'Université Laurentienne accepte uniquement les cours 4U/M approuvés par le ministère de l'Éducation de l'Ontario. Les personnes qui suivent des cours approuvés en dehors des horaires d'école normaux devraient en informer le Bureau des admissions à admissions@laurentienne.ca ou au 1 855-675-1151 poste 3491 afin qu'ils soient pris en compte.
Demande OUAC – Ordre des choix:	Des candidatures multiples à des programmes peuvent donner lieu à de multiples offres. Les demandes d'admission à des programmes contingentés ne sont pas refusées en fonction du classement choisi.
Droit de scolarité – Dépôt:	Un cautionnement de 400 \$ est exigé par le 19 juin 2017.
Processus de sélection des cours (première année):	Les informations d'inscription seront envoyées aux élèves en mai. L'information par rapport à l'inscription sera disponible sur le portail des futurs étudiants à : www.laurentienne.ca/monUL . Pour choisir les cours, veuillez consulter : www.webadvisor.laurentienne.ca . Pour l'assistance additionnelle, s'il vous plaît communiquez avec registration@laurentienne.ca .

Transition vers les études universitaires – Soutien disponible:	Service de liaison sans frais : 1 855-675-1151
Crédits doubles/ programmes MHS:	Aucun
Exigences en matière de compétence linguistique:	Les étudiants étrangers doivent avoir effectué trois ans d'études à temps plein à un niveau supérieur dans une école secondaire francophone ou un établissement postsecondaire francophone ou obtenir une note de passage à un examen accepté de compétence en français. D'autres renseignements figurent à https://laurentian.ca/international , sous l'onglet: « Exigences linguistiques ».
Politique relative au transfert de crédits:	Il peut être possible d'obtenir un transfert de crédits après deux années d'études collégiales ou certaines études universitaires. Les transferts de crédits ne peuvent pas être déterminés avant la demande d'admission et la présentation des relevés de notes officiels. Possibilités d'itinéraires collège-universités : www.ontransfer.ca .
RENSEIGNEMENTS SUR LES BOURSES D'ÉTUDES ET L'AIDE FINANCIÈRE	
Programme de bourses d'entrée garanties:	80–84,9 % - jusqu'à 4 500 \$ (1 000 \$ en 1re année, renouvelable*; 1 500 \$ en 4e année*) 85–89,9 % - jusqu'à 6 500 \$ (1 500 \$ en 1re année, renouvelable*; 2 000 \$ en 4e année*) 90–94,9 % - jusqu'à 10 500 \$ (2 500 \$ en 1re année, renouvelable*; 3 000 \$ en 4e année*) 95–100 % - jusqu'à 14 500 \$ (3 500 \$ en 1re année, renouvelable*; 4 000 \$ en 4e année*) *si la moyenne est conservée.
Demandes de bourses et dates limites – Renseignements additionnels:	L'Université Laurentienne attribue automatiquement de nombreuses bourses. La date limite pour les bourses qui exigent une demande est le 31 mars 2017. La demande se fait en ligne sur leur portail des futurs étudiants. On peut consulter la liste complète des bourses à www.laurentienne.ca/bourses-et-aide-financiere ou sur le portail des futurs étudiants.
Renseignements sur les bourses d'études:	Des bourses additionnelles sont disponibles à l'automne et en hiver lorsque les étudiants débutent leur programme. Tous les étudiants sont encouragés à communiquer avec le département d'aide financière afin d'apprendre davantage au sujet des bourses. Tous les étudiants reçoivent un courriel une fois que les bourses sont disponibles.
RENSEIGNEMENTS SUR LES RÉSIDENCES	
Options de résidences:	La Laurentienne compte huit résidences de genre appartement et dortoir. Les étudiants ont la chance de vivre sur le campus pour la durée de leur programme.
Date limite – Demande de place en résidence:	La date limite pour demander une place en résidence est le 1 ^{er} juin 2017. Les offres de résidence se font à compter du mois de juin. Il faut placer la demande de résidence en ligne sur le portail des futurs étudiants.
Votre place en résidence est-elle garantie?	Les étudiants du secondaire qui font une demande d'admission sous la catégorie 101 (tel que défini par OUAC), qui acceptent une offre d'admission de l'Université Laurentienne et qui font demande aux résidences du Collège universitaire ou celle des étudiants célibataires (comme premier choix) avant le 1 ^{er} juin 2017 aura une place garantie en résidence (bien que pas nécessairement dans celle de premier choix).
Dépôt pour frais de résidence:	Un cautionnement non remboursable de 500 \$ à 550 \$ est exigé en juin afin de réserver une place en résidence.
Demande en ligne:	La demande se fait en ligne sur le portail des futurs étudiants à : www.laurentienne.ca/monUL .

INSTITUTIONAL INFORMATION	
Student Population:	24,500 full-time undergraduates
New Programs:	<p>Integrated Business & Humanities – designed to develop broader leadership and ethical and sustainable business skills alongside a traditional Commerce degree.</p> <p>Integrated Biomedical Engineering & Health Sciences – This new program is the first in Canada to offer a truly interdisciplinary 5-year biomedical program that integrates Engineering with Health Sciences. It is also the only Health Sciences program in health, engineering science and entrepreneurship</p>
Program Changes:	Engineering now requires the completion of an online supplementary application using KIRA.

ADMISSIONS AND TRANSITION INFORMATION	
Fall 2017 Offer Information:	Offers of admission will be made to qualified applicants based on their top six 4U/M courses, including all required courses. Averages are calculated to two decimal points and are not rounded up. All applicants will be informed of a decision no later than May 26, 2017
Special Consideration Policy:	Students with extenuating circumstances may forward documentation to the Admissions Office. Extenuating circumstances may be evaluated on a case-by-case basis.
Accessibility Services:	Our Student Accessibility Services (SAS) (http://sas.mcmaster.ca) office provides services for students with disabilities including learning disabilities, acquired brain injury, mental health disorders, ADHD, chronic illness and sensory or mobility disabilities. Applicants are encouraged to contact SAS prior to starting classes at: sas@mcmaster.ca .
Alternative Offers of Admission:	McMaster does not make automatic alternative offers of admission for any program. We encourage applicants to apply to up to three programs as we will consider each program choice simultaneously and will communicate an admission decision for each program they select on OUAC.
Grade 11 Marks:	McMaster will only be making offers of admission using Grade 12 marks.
Supplemental Application:	Seven direct-entry programs at McMaster require the submission of a mandatory supplementary application for admission consideration: Arts & Science Program; Engineering; Bachelor of Health Sciences (Honours) Program; Integrated Business & Humanities; Integrated Biomedical Engineering & Health Sciences, Integrated Science and Nursing. Details and deadlines vary and can be found on future.mcmaster.ca
Deferral Policy:	Students may submit a written request to have their offer deferred for a period of one year. Requests are reviewed on a case-by-case basis by the specific Faculty. Normally, decisions on deferrals are not made until late August upon receipt of final grades. Should a deferral be granted, the student may not attend any educational institution (including secondary school) for the deferral period, and must re-apply via the OUAC the following year.
IB Policy:	Students may present a full IB diploma or a combination of IB courses (certificate) and 4U/Ms (or equivalent). For the purposes of both admission and residence, applicants who present both percentage grade equivalents and IB predicted scores will be evaluated solely on their percentage grades, unless they make a written request to have their IB predicted scores assessed (deadline: May 1, 2017). Students may request to be evaluated for advanced credit of up to 18 units for completed Higher level courses with a minimum final score of 5, at the discretion of the Faculty.
AP Policy:	Applicants who have completed AP courses will be considered for admission to a Level I program. Applicants who have completed the AP exams in acceptable courses with a minimum grade of 4 may be recommended for up to 18 units of advanced credit upon request. An official copy of the final AP Exam Results Report is required as part of the evaluation process.

Policy on Repeated Courses:	Normally, for students who have repeated up to two courses, the highest mark reported will be used in the calculation of the admission average. Students who have repeated more than two courses or individual courses more than twice may be asked by the Admissions Office to provide a letter detailing any extenuating circumstances that may have led to the need to repeat multiple courses. However, it should be noted that all programs have enrolment limits and we reserve the right to give priority to students who meet all course and grade requirements on their first attempt. Courses completed after June 30 will not be included in the Admission average calculation.
Policy on Summer School, Night School, Virtual Learning, e-Learning, Private School, and Correspondence Courses:	Courses taken at Ministry-inspected and approved institutions are treated as equal for the purposes of calculating an admission average. Similarly, courses taken during summer school, night school or via e-learning and correspondence are accepted as reported with no penalty to the student. Summer school courses taken in 2017 may not be used to maintain an Offer of Admission for September 2017 entry, as the course work is completed after the June 30, 2017, deadline to meet conditions.
Ranking on OUAC Application:	No effect on admission.
Tuition Deposit:	Not required.
Course Selection Process, First-Year:	Online enrolment for Level I courses typically opens in late June – early July. Academic advising is available.
Support Available for the Transition to University:	The Student Success Centre is committed to providing quality services that guide students toward the achievement of their academic and development goals. Students are supported from the time they accept our offer to attend, and throughout their university careers as they make choices, deal with issues and improve skills that will prepare them for future success upon graduation.
Dual Credits/SHSM Programs:	McMaster does not recognize dual credits or SHSM programs for advanced standing in any of its programs.
English-Proficiency Requirements:	At the University's discretion students may be exempt from submitting an English Language Test if they have: a) resided in an English-speaking country for at least four years immediately prior to September 2017 OR b) attended an English-medium educational institution in a full-time academic program for at least three years immediately prior to September 2017.
Transfer Credit Policy:	http://future.mcmaster.ca/admission/transfer-credit/

ADMISSIONS AND TRANSITION INFORMATION

Fall 2017 Offer Information:	Offers of Admission are sent out on an ongoing basis. All students will have a decision made on their application(s) by May 26, 2017 . Students will have until June 1, 2017 , to respond.
Special Consideration Policy:	Applications from those of Aboriginal ancestry, visible minorities and/or persons with disabilities who meet the minimum stated requirements for admission to the university, but not the admission average for the program to which they have applied, may apply for consideration under the accessibility policy. Such candidates should identify themselves in writing to the Registrar's Office at the time they apply for admission. Eligible persons must be Canadian citizens or permanent residents and applying to first-year studies from secondary school or postsecondary education. For more information, contact the Admissions Office at admissions@nipissingu.ca or ext. 4600. For more information: www.nipissingu.ca/sas
Accessibility Services:	sas@nipissingu.ca , ext. 4362 www.nipissingu.ca/sas
Alternative Offers of Admission:	Applicants who do not meet admission requirements or admission averages for the programs to which they have applied will automatically be considered for an alternative program for which they do qualify.
Grade 11 Marks:	Some applicants may have received conditional offers based on Grade 11 marks.
Supplemental Application:	Nipissing University does not require supplemental applications from students coming directly from secondary school.
Deferral Policy:	Students may request a deferral, in writing, from the Admissions Office once they have received an offer of admission. To defer, students must accept their offer of admission, meet all conditions of their offer and re-apply through the OUAC for the following year. Students may not attend any other postsecondary institution during their deferral period. (Policy currently under review.)
IB Policy:	Applicants who have successfully completed the International Baccalaureate (IB) diploma with at least six subjects, including three at the higher level, with a minimum final grade total of 24, will be considered for admission. Advanced standing to a maximum of 30 credits may be granted for courses completed at the higher level with a grade of 5 or higher. Applicants with a final IB score of 30 or above (including bonus points) are eligible for a guaranteed entrance scholarship.

AP Policy:	Applicants who have completed Advanced Placement (AP) courses are encouraged to submit their examination results. Official AP score reports must be sent directly to Nipissing University. Advanced standing will be granted for most AP courses completed with a grade of 4 or higher, to a maximum of 18 credits.
Policy on Repeated Courses:	Nipissing will take the higher grade
Policy on Summer School, Night School, Virtual Learning, e-Learning, Private School, and Correspondence Courses:	Nipissing accepts marks that fall under the Ministry of Education's curriculum (or equivalent) issued by a ministry approved and inspected school. Students must have ensured that midterm and/or final grades for these courses are sent to the OUAC by their secondary school by April 27, 2017 , to be included in the regular admission decision timelines. Summer school grades should be submitted by August 15, 2017 . Only grades completed as of June 30, 2017 , will be used to calculate the scholarship average for students who receive an offer of admission by May 26, 2017 .
Ranking on OUAC Application:	Nipissing University does not use application ranking for admission decision. An admission decision is made for every application choice.
Tuition Deposit:	A non-refundable registration deposit of \$200 is due by June 1, 2017 .
Course Selection Process, First-Year:	Nipissing University strongly encourages students to take part in the New Student Orientation (NSO) event that incorporates a comprehensive session on the course selection process with the assistance of academic advisors. www.nipissingu.ca/nso

ADMISSIONS AND TRANSITION INFORMATION	
Fall 2017 Offer Information:	The majority of offers of admission to OCAD University are made by the beginning of April based on the portfolio submission (for studio-based programs) or writing assignments (for the BA program). All offers of admission are conditional on meeting minimum academic entrance requirements. The deadline to respond to offers of admission is June 1, 2017.
Special Consideration Policy:	OCAD University makes every effort to help facilitate the application process for applicants who require special consideration or assistance. Applicants are invited to contact the Admissions Office at 416-977-6000 ext. 4869 or email admissions@ocadu.ca.
Accessibility Services:	New students should contact our Centre for Students with Disabilities to book an intake appointment prior to the start of classes at 416-977-6000 ext. 339 or csd@ocadu.ca
Alternative Offers of Admission:	In general, OCAD University does not make alternate offers of admission except in cases where direct-entry or program choice is not appropriate.
Grade 11 Marks:	In general OCAD University does not consider Grade 11 marks in admission decisions.
Supplemental Application:	All studio-based programs require a portfolio submission for admission consideration. Supplemental application materials (a writing sample assignment) are required for admission consideration to our BA in Visual and Critical Studies (Art History) program.
Deferral Policy:	Deferrals are generally only granted in cases of extenuating circumstances (policy under review). Applicants are encouraged to contact admissions@ocadu.ca for further details.
IB Policy:	Applicants who have successfully completed the IB Diploma with at least six subjects, including IB English and three courses at the higher level, with a minimum final overall grade total of 24, will be considered for admission. Individual IB higher level courses with a grade of 5 or better may be considered for transfer credit if applicable to program of study. Full IB requirements are available online. www.ocadu.ca/admissions/admission-requirements

AP Policy:	Applicants who have completed AP courses with a grade of 4 or better may be considered for transfer credit if applicable to program requirements. Official score reports are required. Full AP guidelines are available online. www.ocadu.ca/admissions/admission-requirements
Policy on Repeated Courses:	Provided that the course is completed at a Ministry inspected and approved institution, the highest successfully completed grade will be used in the academic entrance average calculation for admission. Final official documents are due in August each year.
Policy on Summer School, Night School, Virtual Learning, e-Learning, Private School, and Correspondence Courses:	Provided that the course is completed at a Ministry inspected and approved institution, OCAD University will accept Grade 12 U/M courses regardless of how or where the course is taken. Final official documents are due in August each year.
Ranking on OUAC Application:	OCAD University considers all applicants equally, regardless of the ordered choice on the OUAC application. Applicants can only apply to one program at OCAD University.
Tuition Deposit:	A \$500 non-refundable confirmation deposit is required by June 15, 2017.
Course Selection Process, First-Year:	Registration information and dates for Registration Assistance Days will be emailed to applicants who accept the offer of admission and pay the confirmation deposit by the deadlines indicated in the offer of admission. Online course selection and registration for all OCAD U students begins in July each year.
Support Available for the Transition to University:	Our Student Success programs offer a variety of interactive sessions to provide an introduction to tools and resources available at OCAD University. These programs include Student Mentors, writing workshops, and several student interest groups.
Dual Credits/SHSM Programs:	OCAD University does not grant transfer credit or give special consideration to applicants with dual credits or in SHSM programs when making admissions decisions.
English-Proficiency Requirements:	Applicants whose native language is not English and who have not studied in an English language school system for four consecutive years will be required to present proof of English language proficiency in addition to meeting full academic entrance requirements. Acceptable tests and minimum score requirements are available online. www.ocadu.ca/admissions/admission-requirements/english-proficiency

ADMISSIONS AND TRANSITION INFORMATION
www.uottawa.ca/undergraduate-admissions

Fall 2017 offer information:	Offers go out in three rounds: <ul style="list-style-type: none"> • Dec. to Jan. – based on top five 3U and/or 4U/M marks • Mar. to Apr. – based on top six 3U and/or 4U/M marks; must include at least two 4U/M marks and prerequisites must be in progress • Apr. to May – based on top six 4U/M marks including prerequisites
Special consideration policy:	Send supporting documentation to admissions@uottawa.ca .
Accessibility services:	Access Service facilitates the academic accommodations process. Students who may require adaptive measures should register with Access Service before June 15, 2017: www.sass.uottawa.ca/en/access .
Alternative offers of admission:	If a student is not offered admission to a limited enrollment program, uOttawa may offer the student admission to an alternative program of study. Applicants not admitted into a co-op program or the French Immersion stream will be automatically considered for the corresponding regular program.
Grade 11 marks:	uOttawa considers Grade 11 marks in the first two rounds of admission (and in automatic admission scholarship evaluations).
Supplemental application:	Audition required for Music (BMus). Language examination required for French Studies, Second Language Teaching, Nutrition Science and Translation. Portfolio required for Visual Arts (BFA or BA).
Deferral policy:	Deferrals are granted only in the case of extenuating circumstances. Students may submit a written request to have their offer of admission deferred for a period of one year. Requests are reviewed on a case-by-case basis. Should a deferral be granted, the student must not attend any educational institution (including high school) during the deferral period.
IB policy:	Students are eligible for admission if they complete the IB program with a score of at least 29 and they have the prerequisites for their program of choice. Students may receive transfer credits for higher-level subjects with a score of 5 or higher.
AP policy:	Students may receive up to 30 credits (10 one-term courses) of advanced standing for AP courses, provided they obtain a minimum score of 4 in each subject. This may vary according to the program requested.
Policy on repeated courses:	The highest mark available for the course will be used in the calculation of the admission average.
Policy on summer school, night school, e-learning, private school and correspondence courses:	All courses that are taken through a Ministry-inspected and approved institution are treated as equal for the purpose of calculating an admission average.

Ranking on OUAC application:	No effect on admission.
Tuition deposit:	None required.
Course selection process, first-year:	Course selection begins on May 23, 2017, and is done through uoZone.
Support available for the transition to university:	Regional mentors can help with transition to university: mentors@uottawa.ca . A Summer Orientation Program is also offered which is aimed to ease students' transition from high school to university: www.uottawa.ca/events .
Dual credits/SHSM programs:	None.
English-proficiency requirements:	Must have completed English 4U in order to be admissible to all programs. International students who have not completed their last three years of full-time studies in English in a country where English is an official language must provide a language proficiency test (example: TOEFL).
Transfer credit policy:	uOttawa will consider giving advanced standing for transfer credits depending on the program. Each file is evaluated on an individual basis and the applicant needs to meet the minimum requirements for possible admission to the program.

Automne 2017 – Détails sur les offres :	Trois rondes d'offres d'admission : <ul style="list-style-type: none"> • déc. à janv. – basées sur les cinq meilleures notes de niveau 3U ou 4U/M • mars à avril – basées sur les six meilleures notes de niveau 3U ou 4U/M; deux des six notes doivent être de niveau 4U/M et les préalables en cours • avril à mai – basées sur les six meilleures notes de niveau 4U/M y compris les préalables
Politique de considération spéciale :	Faire parvenir toute documentation d'appui au bureau des admissions à : admissions@uottawa.ca .
Services d'accessibilité :	Le Service d'accès facilite le processus d'accommodement scolaire. Les étudiants qui ont besoin de mesures d'adaptation doivent s'inscrire auprès du Service d'accès avant le 15 juin 2017 : www.sass.uottawa.ca/fr/acces .
Autres offres d'admission :	Les candidats qui n'obtiennent pas l'admission à un programme contingenté pourraient recevoir une offre d'admission à un programme d'études alternatif. Les demandes de candidats qui n'ont pas obtenu l'admission au régime Coop ou au régime d'immersion en français seront considérées pour le programme d'études régulier correspondant.
Notes de la 11^e année :	L'Université d'Ottawa considère les notes de 11 ^e année pendant les deux premières rondes d'admission. Cette même moyenne détermine l'offre de bourse d'admission renouvelable au moment de l'envoi de l'offre d'admission.
Demande supplémentaire :	Audition est nécessaire pour Musique (B.Mus.). Test de compétence linguistique est nécessaire pour didactique des langues secondes, sciences de la nutrition, French Studies et traduction. Portfolio est nécessaire pour arts visuels (B.A. ou B.A.V.).
Politique de report :	Le report d'une offre d'admission est alloué uniquement dans des circonstances atténuantes. Pour reporter une offre d'admission sur une période de 12 mois, il faut en faire la demande par écrit. Le bureau des admissions étudiera les demandes sur une base individuelle. Si le report est alloué, l'étudiant ne doit pas entreprendre d'autres études (incluant des études au palier secondaire) pendant la période du report.
Politique du BI :	Pour être admissible, les finissants du BI doivent avoir obtenu une note globale d'au moins 29 et réussi les préalables du programme choisi. S'ils ont obtenu une note minimale de 5 pour des cours de niveau supérieur, l'Université peut leur accorder des équivalences.
Politique de l'examen de niveau avancé :	Selon le programme choisi, l'Université peut accorder jusqu'à 30 crédits d'équivalences (10 cours d'une session) pour les cours du programme Advanced Placement dans lesquels l'étudiant a obtenu une note minimale de 4.
Politique sur les cours répétés :	La note la plus élevée servira à calculer la moyenne d'admission.
Politique sur les cours d'été, du soir, en ligne, d'établissements privés et par correspondance :	Tous les cours suivis dans un établissement approuvé peuvent servir à calculer la moyenne d'admission.
Demande OUAC – Ordre des choix :	Aucune conséquence sur l'admission.
Droits de scolarité – Dépôt :	Non requis.
Processus de sélection des cours (première année) :	L'inscription aux cours commence le 23 mai 2017, dans uoZone.

Transition vers les études universitaires – Soutien disponible :	Les étudiants de première année qui ont besoin d'aide pour leur transition du secondaire à l'université peuvent communiquer avec des mentors régionaux à mentors@uOttawa.ca . Le programme d'orientation d'été vise également à faciliter cette transition : www.uottawa.ca/evenements .
Crédits double/Programmes MHS :	Aucun.
Exigences relatives aux aptitudes en français/anglais :	Les étudiants doivent avoir réussi un cours de français 4U. Les étudiants internationaux qui n'ont pas complété leurs derniers trois ans d'études à temps plein en français dans un pays dont le français est une langue officielle, doivent présenter les résultats d'un test de langue, par exemple le DELF.
Politique relative à la reconnaissance de crédits :	L'Université d'Ottawa pourrait accorder des équivalences dans certains programmes. Chaque dossier est évalué individuellement et les candidats doivent répondre aux exigences minimales d'admission avant d'avoir la possibilité d'être admis au programme en question.

Institutional Information	
Student Population:	Total: 22,835 Undergraduate: 18,871 Graduate: 3,964
New Programs:	<ol style="list-style-type: none"> Queen's University is expanding its popular suite of certificate programs to include a Certificate in Law, one of the first academic certificate programs specifically directed at undergraduate students to be offered, and taught, directly by a law faculty. The program will be available to undergraduates at Queen's and, as a fully online program accessible through eCampus Ontario, to undergraduate students at universities and colleges across Ontario and Canada. Queen's offers additional certificate programs in Geographic Information Science, Sexual and Gender Diversity, International Studies, Media Studies, and Business. In partnership with St Lawrence College, Queen's is excited to introduce a new Bachelor of Music Theatre (BMT) program. The Program provides students with theoretical and practical training in the three core disciplines of acting, singing and dancing, and also in the study of music theatre as a liberal arts subject. Students complete their first two years at St. Lawrence College in Brockville, and their final two years at Queen's. An audition is required. (OUAC program code QMT)
Program Changes:	No program changes are planned at this time.
Admission Information	
Fall 2017 Offer Information:	Complete applications are currently being considered. All students will be updated on the status of their application(s) by May 19, 2017. Please remind all students to add Queen's (@queensu.ca) to their safe senders list as soon as they have applied. Acknowledgment of application(s), as well as offer(s) of admission, will only be sent via email. Email communication allows Queen's to notify students of admission decisions much faster, and also reduces the University's environmental impact.
Special Consideration Policy:	If there are factors that clearly demonstrate significant extenuating circumstances, beyond a student's control, which have affected academic performance during the past two years, the student should submit documentation to the Undergraduate Admission and Recruitment Office as soon as possible. Aboriginal applicants may choose to request consideration under the Aboriginal Admission Policy, an alternative pathway for admission to direct-entry undergraduate programs. Requests must be received by April 30.
Accessibility Services:	Students who received accommodation in high school for reasons of a documented disability should contact Queen's Student Accessibility Services to speak with an advisor about their needs. Web: www.queensu.ca/studentwellness/accessibility-services Phone: 613-533-6467 Email: accessibility.services@queensu.ca
Alternative Offers of Admission:	Queen's does not make alternative offers of admission. Applicants will be considered only for the program(s) to which they have applied (or amended) via the OUAC.
Grade 11 marks:	Queen's will consider Grade 11 marks when Grade 12 marks are not available.
Supplemental Application:	Admission to Queen's is very competitive. A Personal Statement of Experience (PSE) and a student's academic record are used to help make admission decisions. For all programs, except Commerce, completion of the PSE is optional, but strongly recommended. While we recommend that all applicants submit a PSE, applicants who have not submitted a PSE (with the exception of Commerce) will be considered for admission to Queen's on the basis of grades alone. The recommended last date to submit the PSE is February 15. For admission to Commerce, the PSE as well as a Supplementary Essay, are compulsory and must both be submitted by February 15.
Deferral Policy:	Applicants with extenuating circumstances who have accepted an offer of admission may request an admission deferral for a period of one year. The Admission Committee will consider deferral requests on the basis of final grades and the reason provided by the student. Written requests must be received by August 31.
IB Policy:	Applicants completing the full IB Diploma will be assessed on their Ontario grades or their IB scores. For all IB candidates, transfer credit may be given for HL courses completed with a score of 5 or higher (6 or higher for select Engineering courses) to a maximum of 18.0 units. Final IB results are due by August 1.
AP Policy:	Queen's may grant transfer credit for AP exams completed with a score of 4 or higher (5 for select Engineering courses) to a maximum of 18.0 units. Final AP results are due by August 1.
Repeated Courses:	If a student repeats a course, Queen's will use the grade from the most recent attempt when calculating the admission average.
Policy on Courses Taken Outside of Day School:	Queen's will accept all courses (summer school, night school, private school, virtual learning, e-Learning, correspondence) offered towards the OSSD from inspected and accredited schools as determined by the Ontario Ministry of Education.
OUAC Ranking:	Queen's does not consider OUAC ranking when making offers of admission. Students will be considered for all programs to which they have applied.

Tuition Deposit:	No tuition deposit is required.
Course Selection:	Students will be contacted during the summer months to facilitate course selection. All students will be invited to campus to attend Summer Orientation to Academics and Resources (SOAR). For further details, please see: www.queensu.ca/studentexperience/summer-orientation-soar .
Support for Transition to University:	Queen's offers a range of support services to students during their transition to university life. These include, but are not limited to: In-Residence Programming, Queen's Learning Commons, Student Wellness Services, Peer Tutoring, Free Engineering Tutorials, Orientation Week, University Chaplain, Summer Orientation to Academics and Resources (SOAR), Adaptive Technology Centre, Queen's Writing Centre, IT Support Desk, Food Services, the Four Directions Aboriginal Student Centre, the Queen's University International Centre, and Q-Success.
Dual/SHSM Programs:	No special consideration is given to dual or SHSM programs during the admission process, but students may choose to reflect upon these experiences in their PSE and/or SE.
English-Proficiency Requirements:	Applicants who have attended a school where English is the primary language of instruction for three consecutive years immediately prior to their attendance at Queen's are generally not required to submit a test of English proficiency. Students required to submit standardized English-language test scores may submit IELTS (6.5 on academic module), TOEFL (88 overall, 24 writing, 22 speaking, 22 reading, 20 listening), MELAB (90), CAEL (overall 70 with no band below 60), or PTE (60 overall). Alternatively, students who earn a final grade of A- or higher in the 12-week English for Academic Purposes program offered by the Queen's School of English will be awarded an English-proficiency exam waiver. (<i>Note: Queen's reserves the right to request standardized English-proficiency test results.</i>)
Transfer Credit Policy:	Transfer credit assessment varies depending on the courses or curriculum that the student has completed, marks achieved, the program the student is entering, and the student's year of entry. For further details, please see: www.queensu.ca/admission/apply-high-school/transfer-credits/ . Students entering their first year of study at Queen's who have taken courses during high school that may be eligible for transfer credit must apply for credit no later than the end of fall term of their first year .

Scholarship and Financial Aid Information

Admission Scholarships:	Queen's offers automatic admission scholarships (no application required) to all students regardless of citizenship on the basis of academic achievement alone. Students with averages of 90.0-94.9% will receive \$2,000 in first year. Students with averages of 95.0% or greater will receive \$6,000 in first year. Students admitted to the Bachelor of Arts (Honours) or Bachelor of Science (Honours) degree programs with averages of 88.5-89.9% will receive a one-year award valued at \$2,000. Scholarships are assessed at the time of admission and reassessed upon receipt of final grades. Scholarship offers are firm, meaning that students will retain their original scholarship value so long as they meet the conditions identified in their offer of admission. Students will not receive more than one merit based award.
Major Admission Awards:	Queen's Major Admission Awards require a separate application due December 1 . They are based on superior academic ability, creative and original thinking, involvement in school or community activities and proven leadership. Financial need is also taken into consideration for some awards. Major Admission Awards range in value between \$36,000 and \$78,000 over four years. Students must be citizens or permanent residents of Canada.
Admission Bursary:	The Queen's Admission Bursary application is currently available online for September 2017 applicants. We encourage applicants to submit their bursary application by February 15 so we can notify them of available funding at the time their offer is made. Bursaries are based solely on financial need. Students must be citizens or permanent residents of Canada. <i>Note: All registered students, including international students, may apply for a Queen's General Bursary in the fall of each academic year.</i>

Scholarship and Financial Aid information is based on 2016-17 details available at the time publication. Queen's University may revise or withdraw any award without prior notice.

Residence Information

Residence Options:	Queen's offers dormitory-style residence accommodation. Residences range in size from 68 to 600 students in both co-educational and single-gender floor settings. Residence rooms are typically either single or double accommodation. Room assignment is by lottery.
Application Deadline:	The residence application and deposit must be received by June 8, 2017 .
Residence Guaranteed?	Queen's guarantees residence to all first-year full-time students who submit their residence application and deposit by June 8, 2017.
Residence Deposit:	A residence deposit of \$525 CAD is required by June 8, 2017.
Online Application:	An online application is available at: http://residences.housing.queensu.ca .

What's New?

- Queen's will be introducing a new program section on the OUAC application for fall entry to online degree programs. There are currently seven online degree options (BA English, BA Global Development Studies, BA History, BA Psychology, BA Liberal Studies, BSc Life Sciences, and BSc Health Sciences).
- Construction of Queen's University's new \$119 million **Innovation and Wellness Centre** has begun and is expected to be completed in the spring of 2018. The Centre will feature expanded engineering facilities, makerspaces and experiential learning spaces. It will also be home to an Innovation Hub – centered around the successful Queen's Innovation Connector – and state-of-the-art interdisciplinary laboratories. These facilities will increase opportunities for research, student design and learning, while also strengthening Queen's University's position in world-leading research. The innovation and engineering facilities will be co-located with space for Student Wellness Services and the Chaplaincy. The wellness centre will also feature athletic and recreation facilities, the Queen's University International Centre, and a new Exam Centre.

	Grade 11 Marks	Used to make some early offers of admission in February and may be considered for incomplete Grade 12 prerequisites when making conditional offers in the second round. This consideration will vary by program.
	Supplemental Applications	Architectural & Visual Studies, Rotman Commerce, Faculty of Music, Faculty of Kinesiology & Physical Education, Faculty of Applied Science & Engineering, Victoria College Profile, Trinity College Profile, the First Year Foundations programs. More information: www.future.utoronto.ca/guidance-counsellors .
	Deferral Policy	Applicants who are considering taking a year off between high school and university may request a one-year deferral of admission. All conditions of the offer of admission must be satisfied before a deferral request will be considered. If granted, the deferral of admission will include a deferral of any entrance scholarship(s) awarded and the residence guarantee if applicable. To request a deferral, students must complete all sections of the Deferral Request Application and send it directly to Enrolment Services no later than September 1. A copy of a final transcript or report card must be included with the application. Applicants who plan to attend a postsecondary institution will not be permitted to defer their admission. More information: www.future.utoronto.ca/apply/do-list/ .
	IB and AP Policy	Admitted students may be awarded transfer credit for International Baccalaureate Higher Level subjects with a IB and AP Policy minimum grade of 5 (sent electronically by the IBO) or Advanced Placement examinations with a score of 4 or 5 (sent electronically from the Educational Testing Services). More information: www.future.utoronto.ca/transfercredit/ .
Policy on Repeated Courses	Individual programs at U of T reserve the right to give preference to students whose marks are the result of a first attempt at each course, particularly in prerequisite subjects. The Faculty of Applied Science & Engineering Admissions Committee in general does not consider repeated course marks. If there are extenuating reasons, students will need to provide an explanation and documentation. Rotman Commerce within the Faculty of Arts & Science will consider only the first attempt at each subject.	

	Policy on Summer/Night/ Private School, Virtual Learning, and Correspondence Courses, etc.	All 4U/M courses are considered equivalent, regardless of where or how they are taken, as long as they are taken through a school approved by the Ontario Ministry of Education. Note: For current Ontario Grade 12 students applying on a 101 application, students must ensure that the current school has all their marks including those for summer/night/correspondence courses. U of T is unable to accept marks unless they are submitted to the University by the school through the OUAC. The Faculty of Applied Science & Engineering will accept courses that are Ministry approved; however, they will be looking for consistent effort throughout the whole high school program especially in prerequisite subjects.
	OUAC Ranking	U of T does not take ranking on the OUAC application into consideration.
	Tuition Deposit	Tuition deposits vary by campus and program.
	Course Selection Process, First-Year	Course selection varies by program. First-year students generally choose their courses at the end of July. For the Faculty of Applied Science & Engineering, first-year courses are pre-determined by the department/program. Students will receive access to their timetable in early August.
	Transition to University	Support programs are available across all three campuses and will vary by program. More information: www.future.utoronto.ca/guidance-counsellors .
	Dual Credits/ SHSM Programs	U of T does not recognize dual credits or SHSM programs in the admissions process.
	English-Proficiency Requirements	Proof of English-language proficiency is required from all applicants except for those: a) whose first language is English or b) who have achieved satisfactory progress in at least four years of full-time study in an English-language school system located in a country where the dominant language is English, or c) whose first language is French and who have achieved satisfactory academic progress in at least four years of full-time study in Canada. More information: www.future.utoronto.ca/apply/english-language-requirements .
	Transfer Credit Policy	Transfer credit policies for postsecondary studies will vary by campus and program. More information: www.future.utoronto.ca/transfercredit .

Scholarship & Financial Aid Info	Entrance Scholarship Program	The University of Toronto Scholars Program provides recognition to the University's outstanding students, at admission and on an on-going basis. There are approximately 700 admission awards which have a value of \$7,500 and may be held in conjunction with any admission award that students may receive from their college/faculty. Outstanding domestic and international secondary school students are considered automatically for these awards on the basis of their average at the time of admission (applicants who have previously attended a post-secondary institution are not eligible for U of T Scholars consideration). Payment of the award is conditional on full-time registration at the University in the fall of the year the award is granted.
	Additional Scholarships Application Information and Deadline	Additional admission scholarships may require an application and/or additional documentation. Further information about these awards can be found at www.future.utoronto.ca/finances . The University of Toronto also offers awards on the basis of financial need, academic merit, demonstrated leadership and other special criteria. To be considered for awards on the basis of these criteria, students must complete the Awards Profile online, through the Join U of T applicant website.
	Bursary Information	U of T Advanced Planning for Students (UTAPS) application is available in January. Students applying directly from high school should apply in January of their Grade 12 year with a preferred deadline of the end of February. This will ensure that students will be considered for needs-based admissions awards. More information: www.future.utoronto.ca/finances/financial-aid/university-toronto-advance-planning-students-utaps .

Residence Information	Residence Options	Two main styles include traditional dorm-style and apartment-style residences through the college system within the Faculty of Arts & Science. Students within Arts & Science normally reside within their college, while students from other faculties can select from college residences. More information: www.housing.utoronto.ca
	Residence Guarantee & Application Deadlines	Residence is guaranteed for all new full-time students entering their first year of university in an undergraduate program for the first time, provided that they have indicated their interest in residence by completing the university's common online residence application (MyRes) by March 31, and have received and accepted an offer of admission by June 1.
	Room Deposit Fee	Approximately \$350 - \$1,000 depending on campus and college. More information: www.studentlife.utoronto.ca/hs

What's New	Important Admission Updates for September 2017 Entry	Admission conditions for the Faculty of Arts & Science must be met by June 30, 2017. The Faculty will not be extending this deadline to allow for the completion of summer courses to meet conditions. The Faculty of Applied Science & Engineering releases the official offer of admission through the Engineering applicant portal. Students do not receive a copy through the mail faculties can select from college residences. More information: www.housing.utoronto.ca
	New Facilities	The Daniels Faculty of Architecture, Landscape, and Design is relocating and expanding the school at One Spadina Crescent which will reconnect this vitally important site to the city in a new way, reinventing it as a gateway to the University an iconic hub for urban design. One Spadina will be a showcase for the city and the University, and world- leading venue for studying, conducting research and advocating for architecture, landscape, and sustainable design. It is scheduled to open in the next academic year.

ADMISSIONS AND TRANSITION INFORMATION

Fall 2017 Offer Information:	Ontario high school students are offered admission throughout the admissions cycle until mid-May 2017. Prerequisite courses are included in the calculation of mid-year and final admission averages. All offers are conditional upon maintaining the minimum final average stipulated, and successfully completing the OSSD.
Special Consideration Policy:	Western's Special Consideration Profile provides an opportunity for students to share any extenuating circumstances that have adversely affected their grades. Students with disabilities are encouraged to contact the Student Development Centre: www.sdc.uwo.ca
Accessibility Services:	Check out our extensive accessibility services at www.accessibility.uwo.ca
Alternative Offers of Admission:	Alternative offers of admission are not made automatically on Western's main campus. Students who wish to be considered for more than one program should list each program as a separate choice on the OUAC application.
Grade 11 Marks:	Grade 11 marks are considered during the early rounds of offers.
Supplemental Application:	Any mandatory supplemental applications, as well as other optional forms can be found at: www.welcome.uwo.ca/admissions/forms/index.html
Deferral Policy:	Students receiving an offer of admission who wish to register instead for September of the following year may request a deferral of their admission for a period of one year. Students must submit the request in writing to the Admissions Office and include the activities they will be participating in during that year. Deferrals are not automatic at Western's main campus. Admission Scholarships for deferred students are based on the scholarship eligibility criteria in the year of registration.
IB Policy:	Students completing the International Baccalaureate program must complete the full International Baccalaureate Diploma, including each of the following, to be considered for admission: <ul style="list-style-type: none"> • Completion of the entire diploma including the Theory of Knowledge and Extended Essay • Passes in a minimum of six subjects of which three must be at the Higher Level • A minimum grade total of 28, including points awarded for the Extended Essay and Theory of Knowledge • No mark less than 4 on any individual subject • Program prerequisites as specified by Western <p>Please note the minimum grade total quoted is the minimum required for admission consideration. Competitive admission based on predicted results is usually in the low to mid 30s and can vary depending on the program.</p>

	IB applicants who have successfully completed the full IB Diploma and meet Western's admission criteria are eligible for transfer credit consideration for most Higher Level subjects with a score of 5 or higher.
AP Policy:	If students achieve at least 4 out of 5 on their final AP exams, they may be considered for transfer credit, to a maximum of two full credits as approved by the appropriate faculty.
Policy on Repeated Courses:	For courses taken more than once, we will consider the highest reported successful grade achieved in that course.
Policy on Summer School, Night School, Virtual Learning, e-Learning, Private School, and Correspondence Courses:	As long as the institution and courses are approved by the Ontario Ministry of Education, they are considered equally in terms of admission.
Ranking on OUAC Application:	OUAC ranking does not play a role in Western's Main Campus admission process.
Tuition Deposit:	Currently there is no tuition deposit required.
Course Selection Process, First-Year:	Summer Academic Orientation (SAO) will take place from June 22 to July 27, 2017. SAO participants have the opportunity to select their courses with a professor or academic advisor, create a timetable, register for courses and learn about Western's services and university life. Register starting June 5 at: www.sao.uwo.ca
Support Available for the Transition to University:	There are many programs and services at Western to help students with the transition to university. INSTITUTIONAL INFORMATION

Student Population:	1,100
New Programs:	Huron University College's new vision sets it apart and leads the way in Canada as the only undergraduate university to offer an elite yet accessible education that unites liberal arts with business, all built upon an ethical core. Key elements of Huron's new direction include the vast expansion of internship opportunities available to students. Additionally, along with every major or program, students will take the same core curriculum – The Huron Core Curriculum . This will pair the traditional advantages of liberal arts with the in-demand skills of business and management. Underpinning it all will be an ethical foundation that stresses corporate social responsibility, service to the community, and social justice. Students in all programs will be engaged in community service, active community based learning, mentorships and internships, to complement their academic activities.
Program Changes:	See above.

ADMISSIONS AND TRANSITION INFORMATION

Fall 2017 Offer Information:	Offers operate on a rolling basis and Huron will continue to extend offers as space permits. Alternative Offers of Admission:	For students applying to MOS who are not admissible, Huron will assess for alternative offers of admission to Social Science. Students can shadow MOS in first year and apply to transfer into it.
Grade 11 Marks:	Huron will make conditional offers to students based on Grade 11 performance. Admissions decisions are always conditional until final offers are confirmed based on Grade 12 grades.
Supplemental Application:	Required only for the Hellmuth and Frank Holmes Athletic Scholarships.
Deferral Policy:	Huron grants deferrals on a case-by-case basis. Students must maintain a minimum final average and produce a letter indicating their anticipated activities. The following January, students must re-apply through the OUAC and provide a statement of activities for their year off.
IB Policy:	IB Diploma with a minimum score of 26, and no less than a 4 on any subject. Transfer credit to be considered on a case-by-case basis for students completing a full IB Diploma and presenting grades of 5 or better on HL subjects. Huron will grant a maximum of 4.0 credits.
AP Policy:	Official College Board examination results must be submitted for transfer credit assessment. A final grade of 4 is required to grant credit. Huron will grant a maximum of 2.0 credits.
Policy on Repeated Courses:	Huron will use the highest grade achieved in that course, without penalty.
Policy on Summer School, Night School, Virtual Learning, e-Learning, Private School, and Correspondence Courses:	Huron treats all courses as equal with no penalty, as long as they appear on a Ministry-approved transcript.

Ranking on OUAC Application:	Huron does not take ranking into consideration on the application form.
Tuition Deposit:	No tuition deposit. Students access their fees through their Online Statement of Account: www.huronuc.ca/OnlineStatementofAccount . First installment of tuition is due in August.
Course Selection Process, First-Year:	New students will attend a Summer Orientation and Academic Registration Session (see below).

Support Available for the Transition to University:	Summer Orientation and Academic Registration (SOAR) sessions are held in June and July. Students will receive academic advising and assistance with registration during these sessions, as well as an orientation to campus.
Dual Credits/SHSM Programs:	*New!! Huron now offers SHSM scholarships to one student from each of the following SHSM programs: Arts & Culture, Business and Non-Profit. The student must have an 80% final average and must notify Admissions that they are in SHSM. One-time scholarship worth \$2,000!
English-Proficiency Requirements:	www.huronuc.ca/applications . If students have not studied for a minimum of three years (including the final year) in an institution where the principal language of instruction is English, they are required to submit a satisfactory English Language Proficiency test score.

WHAT'S NEW?

<p>New Partnership with Harvard Business School and New Student Experience Building: With the installation of Huron's 17th Principal, Dr. Barry Craig, Huron has announced its new vision centred on challenging its students to be "leaders with heart". Exciting changes have already taken place including Huron's collaboration with Harvard Business School's HBX Credential of Readiness (CORE) program. Huron is the second university in Canada, and only one in Ontario to do this, allowing students access and funding to pursue this prestigious program. Part of this Huron's new vision will also include the build of a new student experience building (currently in planning phase) and the development of new scholarships to attract and support the education of students with potential from underserved and marginalized communities.</p>

ADMISSIONS AND TRANSITION INFORMATION

Fall 2017 Offer Information:	Offers of admission began near the end of January and have been rolling as we receive updated grades. All of King's offers of admission will be made prior to May 26, 2017 and students will have until June 1, 2017 to respond and receive the guarantee for residence. Offers will continue to be sent throughout the summer until we are able to fill our first year classes, so students who do not receive an offer of admission based on second semester midterms can still be considered based on their final grades received in July.
Special Consideration Policy:	Students who wish to have special consideration due to extenuating circumstances or extracurricular activities are encouraged to submit an Applicant Profile, which will be considered in cases where the minimum average was not met. These are due by May 1, 2017. http://futurestudents.kings.uwo.ca/futureStudents/assets/File/admissions/ApplicantProfile.pdf
Accessibility Services:	Maureen Moore; Assistant – Students with Disabilities maureen.moore@kings.uwo.ca ; 519-433-3491 ext. 4568
Alternative Offers of Admission:	When a student is not eligible for a limited enrollment program, which usually has a higher admissions average, they will automatically be reconsidered for admission into either of our faculties of Arts or Social Science.
Grade 11 Marks:	Grade 11 grades are used only in the first round of offers in January and are sent to a very limited number of students with exceptional grades.
Supplemental Application:	Supplemental applications are required for our Catholic Studies for Teachers (CST) program. These were due by March 15, 2017. https://forms.kings.kucits.ca/forms/cstprofile
Deferral Policy:	Students may defer an offer of admission for one year. They must submit a letter to Enrolment Services requesting the deferral along with a non-refundable deposit of \$200, which will guarantee their space the following year and will be applied to their tuition payment at that time.
IB Policy:	Students must be registered and successfully complete the Diploma program and earn a minimum grade total of 24. Transfer credit may be awarded. http://futurestudents.kings.uwo.ca/admissions/admission-requirements/high-

	school/international-baccalaureate/											
AP Policy:	Students who achieve a mark of 4 out of 5 on their final AP exams may be considered for transfer credit to a maximum of two full credits, as approved by the appropriate faculty. http://futurestudents.kings.uwo.ca/admissions/admission-requirements/high-school/advanced-placement/											
Policy on Repeated Courses:	King's will take the highest grade on a course that has been repeated.											
Policy on Summer School, Night School, Virtual Learning, e-Learning, Private School, and Correspondence Courses:	Courses taken in a format other than traditional day school classes will be considered equally for admission.											
Ranking on OUAC Application:	King's does not consider ranking on the OUAC application when making our admissions decisions into any program.											
Tuition Deposit:	\$440 will be due 10 days after a student registers for their courses during the summer.											
Course Selection Process, First-Year:	All incoming new students are required to participate in Summer Academic Orientation (SAO) at which time they will be able to select their courses, create their timetable, get their student cards and make fee payment arrangements. Online booking for these appointments begins April 1, 2017 from our main web page or from the following link: www.kings.uwo.ca/sao/saokings/index.html .											
Support Available for the Transition to University:	Participation in the SAO program for class selection prior to classes beginning in September. Academic and Personal support services through Dean of Students office: www.kings.uwo.ca/current-students/student-support-services/											
Dual Credits/SHSM Programs:	Awards are given to students presenting SHSM courses: http://futurestudents.kings.uwo.ca/money-matters/funding/entrance-scholarships/ . Scroll down and click on SHSM Entrance Award											
English-Proficiency Requirements:	Students who have studied for three or more years in an English speaking environment will be exempt from presenting English Language Proficiency. http://futurestudents.kings.uwo.ca/admissions/admission-requirements/english-proficiency/											
Transfer Credit Policy:	For specific information about transfer credit from colleges or university, contact Enrolment Services directly: 519-433-3491 or 1-800-265-4406.

INSTITUTIONAL INFORMATION	
Student Population	12,391 full-time and 1,849 part-time undergraduate students.
New Programs	Bachelor of Music in Community Music – Community music studies the experience and the impact of introducing music into different settings within a range of community contexts. The program focuses on collaborative music making and is open to any genre or musical styles that invite students to demonstrate their own personal musical strengths. Pathways to Laurier’s music therapy or education specializations are available. BA Policing – This online program offers students the opportunity to integrate their online degree with another BA program at either campus. Designed in consultation with law enforcement agencies across Canada, the BA Policing offers courses constructed to help students sharpen their analytical skills and to examine the critical role and complexities of policing in our modern society. Students will study the success and challenges of modern policing, learning from industry professionals.
Program Changes	BA Film Studies – New partnership opportunity for students to earn a 1-year diploma from the Vancouver Film School as part of their 4-year degree. BSc Chemistry & Physics – New double major option available on OUAC for applications. Management Option – Incoming students can add this to a Waterloo-campus, non-business program.

WHAT'S NEW?													
Glendon added a BA in Communications to its roster in 2017, available also as an <i>international</i> BA. The program focuses on understanding communication through the relationships between media, culture, language and technology. Offered in a combination of French and English, courses are organized into three areas of concentration: Communication, Culture and Society; Organizations and Communication; and Technology and Communication.													
Also new in 2017, Glendon, in partnership with emlyon in France, offers a unique dual iBA/BBA degree where the first 2 years of study are in Canada, the last two in France. It is designed as a program for Francophones and Anglophones with strong French abilities. It brings together Glendon's expertise in human and social sciences with emlyon's emphasis on entrepreneurship, international business, and innovation. What's more, it marries a business education with a liberal arts background compounded with Glendon's trademark excellence in French-language training and international experience.

QUOI DE NEUF?													
<p>En 2017, Glendon rajoute un programme de Communications à sa liste, disponible également avec option international. Le programme permet la compréhension des communications à travers les relations entre les médias, la culture et les technologies. Offert via des cours disponibles en français et en anglais, les trois axes d'apprentissages du programme sont en communication, culture et société; communication et organismes; et technologie et la communication.</p> <p>L'autre nouveauté en 2017 est un double diplôme en partenariat avec emlyon, en France. Ce programme novateur débute avec 2 ans d'études à Glendon, suivi de 2 ans d'études en France, à Lyon. Le programme est conçu pour des francophones, ainsi que des anglophones avec un bon niveau de français. Il rassemble l'expertise en humanités et sciences sociales de Glendon avec l'emphase d'emlyon sur l'entrepreneuriat, les affaires internationales et l'innovation. De plus, il marie une formation en affaires avec les arts libéraux, renforcé par la formation classique de Glendon en français et études internationales.</p>
