

A Message from Your 2016/2017 Super Leaders

What is a Super Leader?

At Project Spirit there are three grade 12 students who organize and run the camp. These three people are your Super Leaders and we all can't wait to see you at Project Spirit 2016/2017.

You don't have to be sad at the end of summer going back to school because you'll be heading up to Project Spirit right when the year starts. We can't wait to meet all of you and create memories that you'll never forget!

-Your Super Leaders (Madi, Alana and Harrison)

"My favourite memory from Project Spirit is getting to lead a colour with my LIT partner Jack. We were able to come up with cheers with our campers and make unforgettable memories!"

-Madi (former LIT of "White Sox")

What is Project Spirit?

Project Spirit is a four day school spirit camp that takes place every September at Camp Mededa. You will be put in a colour group of junior campers who are in the exact same position as you. Everyone is there to meet to people and try new things. Each colour group, led by two LITs (grade 11 students), will have a theme that relates to the colour of their group. As a colour group, you will take part in various camp activities. These activities include canoeing, co-op games, high ropes, swimming, survival, trampolines and more. At night, there are activities like outdoor dances, campfires and cheer-offs.

Why does going to Project Spirit make such a huge difference when starting high school?

For all of us, Project Spirit has a special place in our hearts because of all the amazing memories and life-long friends that we've made there. Trust us, we understand the feeling of being nervous and intimidated by high school; we were in your shoes just four short years ago. But after returning home from Project Spirit, all those nerves will be completely gone. The spirited, fun, and friendly environment that we create gives each of you an opportunity to make new friends and come out of your shell. We guarantee that when you get to camp, you will never want to leave.

Our goal is to ensure that each of you have the best experiences possible while at camp, and we promise you that you will not regret your decision to come. So start getting excited and warm up your voices because Project Spirit is just around the corner!

"One of my favourite memories from Project Spirit was hosting Master Chef for my cabin skit. We had so much fun coming up with the skit and making everybody laugh!"

-Harrison (former LIT of "Pink Ink")

"My favourite memory from Project Spirit was walking around in this silly outfit all week! I was able to show my campers how to be confident when making a fool of yourself."

-Alana (former LIT of "Old-school Orange")
