

New Announcement:

In an effort to complete our final ski date of the 2019, the Sir Winston Churchill Ski and Snowboard Club was scheduled to go to Holiday Valley Ski Resort, in Ellicottville, N.Y., for night skiing, on Thursday, March 21st. The Resort has informed us that their lift operations are changing, and that all ski lifts are shut down at 7pm, by March 21st.

Due to this unforeseen circumstance, our final ski-snowboarding trip will be on Thursday, March 21st, from 12:00pm (noon) until 9:00pm, rather than the typical 2:00pm to 11:00pm times.

Students will be leaving the Sir Winston Parking lot at 12 noon, and returning to the School parking lot at 9:00pm, after skiing for the afternoon. This is also weather dependent - if the Resort closes due to no snow, we won't be going.

Sorry for any inconvenience this has caused, but the inclement weather and needs of the Resort have caused this change in our schedule.

Thank you for your understanding and patience.
