

Unlocking Your Inner Mathematician

'A fun, student-led workshop to prepare you for high school math'

DSBN is pleased to offer a unique summer mathematics five-day workshop to any student who is entering Grade 9 in the Fall.

This week-long, non-credit workshop has been designed collaboratively by a team of secondary math teachers and students.

Details:

WHO: Any students entering Grade 9 in September 2021

WHEN: Monday July 12 - Friday, July 16
10:00am - 12:00pm (noon) with activities available to do offline

WHERE: On-line (a link will be sent to students after they register)

How to Register:

You can register at <https://bit.ly/3vr6sn5>

For Questions please contact:
Lynn at lynn.klapatiuk@dsbn.org

What to expect:

This five-day "For Students, By Students" on-line workshop will:

- Correct any misconceptions students may have about math
- Continue to develop the mindset they need to become powerful math learners
- Learn about their own potential to succeed
- Provide effective strategies for approaching math problems
- Prepare students for what to expect in high school math
- Give students a chance to win prizes every day

Registration Deadline is Wednesday, June 30th at noon.

Regardless of your past experiences & beliefs about math, you'll leave this workshop with a positive and powerful relationship with math!
